

OUR EXPECTATIONS

THIS IS WHAT WE EXPECT STUDENTS TO DO:

Bring to your lessons equipment, such as pens and paper, and wear any required uniform or protective clothing.

Behave in a way that supports a co-operative, positive, friendly and productive learning environment.

Challenge and report unacceptable behaviours such as bullying, discriminatory or unsafe behaviours.

Learn from and respond positively to the feedback you are given to improve the quality of your work.

Participate fully in learning activities with a positive can-do attitude.

Take pride in the College environment by keeping all areas clean, tidy and free from litter.

Only smoke in clearly designated areas and be aware of the serious risk to health from smoking.

Turn up to all your lessons and activities on time.

Turn off your phone in class unless you are asked to use it in the lesson.

Read and understand the College's Student Disciplinary Procedures, and avoid the unacceptable behaviours outlined in the document.

Give in all your work, including homework, on time.

Wear your lanyard and ID badge at all times, and show it if you are asked by any member of staff.

Provide feedback to teachers and other College staff to help us continue to improve your learning and wider College experience.

Behave always in a respectful, professional and mature manner – towards your teachers, support and other College staff, and your student peers.

Play an active part in the College community by, for example, participating in induction, sports enrichment, trips, work experience and special projects.

THIS IS WHAT THE COLLEGE WILL DO FOR YOU:

Ensure that all classes begin and end on time.

Provide you with a safe, supportive and secure environment in which to learn and thrive.

Give you a thorough student induction to the College so you are aware of the services we provide.

Support you in your learning, providing the resources you need to succeed in your studies.

Setting academic and other targets with you that may be challenging, but should help you achieve your personal best.

Provide you, if you are a full-time student, with a personal tutor to support you throughout your time at College by, for example, setting and reviewing your academic targets, and helping you with any challenges you may be facing.

Provide you with well-qualified, experienced and committed staff who provide excellent and good teaching.

Provide a wide set of experiences for your broader development, helping you to discover your interests and talents, and preparing you for a fulfilling life.

Support you to become active, engaged citizens, and develop your resilience, confidence and independence.

Listen to your feedback and, where possible, take action to improve your College experience.

Give you opportunities to provide feedback on your learning experience.

Offer you information, advice and guidance on your progression opportunities.

Provide learning resource centres, computing, specialist workshop and other facilities to support your studies.

Give you regular feedback on your progress.

Ensure assessments and reviews of your learning are timely, clear, and constructive and support your learning.

To support you to be ready for the workplace, an apprenticeship or further study at college or university.

Deliver well-prepared teaching programmes that help you to progress with your studies, and meet the requirements of the awarding body.
